Project number: 101052034-BYP

Behave Your Prints

01

Project Overview:

- Title: "Behave Your Prints"
- Funded by: Erasmus+
- Focus: Educating about the impact of digital footprints on the internet and promoting responsible online behavior.

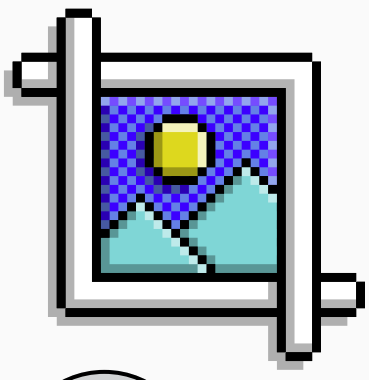

02

Key Objectives:

- Raise awareness about digital footprints and online privacy.
- Teach students and educators safe and responsible internet usage.
- Develop critical thinking regarding the long-term impact of online activities.

03

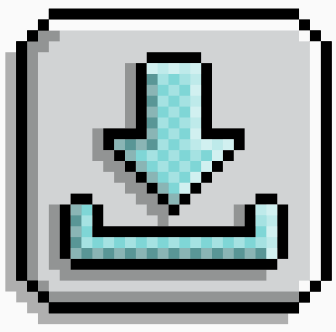

Activities:

- Interactive workshops on digital literacy and online security.
- Development of educational materials focused on responsible internet use.
- Creating a collaborative online platform for sharing best practices.

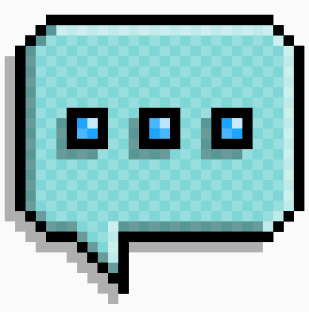

04

Impact:

- Increased understanding of personal data protection among participants.
- Empowerment of students and teachers to make informed decisions online.
- Promotion of a safer, more responsible digital community in schools.

05
